EDUCATION

The Harker School

May 2026

GPA: 3.96/4.00 UW (4.44/4.80 W), SAT: 1580/1600, ACT: 36/36

San Jose, CA

The University of California, Irvine

June 2029

Major: Computer Science

Irvine, CA

- Admitted to the Campuswide Honors Collegium (CHC).

EXPERIENCE

Research Intern

05/2024 - 08/2025

The UC Berkeley Center for Responsible, Decentralized Intelligence (RDI)

Remote

- Under distinguished **Professor Dawn Song**, collaborated with researchers to contribute to multiple cutting-edge AI and security research projects.
- Most notably, founding member (1 of 4), sole high schooler (primarily PhD/graduate team), and one of top code contributors (#1 on GitHub by commits and volume) to **Agentbeats** (github.com/agentbeats/agentbeats).
- **Contributions:** Integrated MCP servers and A2A protocol. Independently implemented multiple advanced security scenarios (CTF-style exploit challenges, “battle-royale” mode) focusing on CLI-based adversaries. Implemented ~90% of frontend battle platform using Svelte/SvelteKit and authentication using Supabase. Co-authored templates, developer utilities, and standardized integration interface for SDK.
- **Impact:** powers RDI’s **AgentX-AgentBeats** competition (rdi.berkeley.edu/agentx-agentbeats): \$1M+ in prizes and 1000+ teams participating. Underpins UC Berkeley’s upper-level course **CS 294/194-196** (semester-long project worth 60-70% of final grade).
- Co-author, "AgentBeats: Agentifying Agent Assessment for Openness, Standardization, and Reproducibility" ([arXiv:2606.13608](https://arxiv.org/abs/2606.13608)). Under review for **NeurIPS 2026**.

Project Lead & Developer

05/2023 - 12/2023

Independent

Remote

- Led development (wrote >90% of total code) of Google Chrome Extension *Factorial!* to combat news bias. Utilized Python, JavaScript, HTML+CSS.
- **2nd Place US Congressional App Challenge (CA-28) 2023, 2nd Place Google IgniteCS Expo 2023.**

Student Director

08/2025 - 01/2026

The Conservatory at Harker

San Jose, CA

- Designed and directed a production of Ted Pezzulo's 40-minute play *April Fish*. Led a cast of 11 actors (aged 14-18) through a 4-month rehearsal process to perform twice for over 500 attendees.

HONORS & CERTIFICATIONS

2025 U.S. Physics Olympiad (USAPhO) Honorable Mention

Apr 2025

Ranked top ~280 out of 5848 participants.

American Invitational Mathematics Examination (AIME) Qualifier

Jan 2023

Scored in the top 2.5% on the American Mathematics Competition (AMC) 10.

National Merit Scholarship Winner, \$2500 Prize

Mar 2026

CompTIA Security+ Certification

Dec 2023

CompTIA Network+ Certification

Dec 2023

SKILLS

Programming Languages: Python, C, C++, Java, JavaScript, HTML+CSS

Libraries/Tools: NumPy, Pandas, Pytorch, Svelte/SvelteKit, MCP, A2A, Docker, Supabase, Git/GitHub, Linux/Unix
